The Tennis Camp is a two-week long program designed for boys and girls grades 3-8 with some tennis experience, but who are still at the beginner-intermediate level. We will teach introductory grip technique, beginning groundstroke, volleys, and basic serve mechanics. Time permitting, we will begin teaching the fundamentals of singles and doubles strategy. Students will drill and then use learned skills to participate in games designed to enhance basic tennis understanding. This program will promote fundamental tennis and sportsmanship skills which students will be able to use for a lifetime. Participants will attend morning sessions from 9:00 a.m. to 12:00 p.m. Join us for mornings of light competition and fun!

# Devil Mountain Children's Theater

- Acting: Improvisational and Scripted
- Set Design: Building and Painting
- Costuming: Clothing and Masks
- Stage Make-up & Lighting

Experience firsthand the fine art of the theater! Join us for this comprehensive program in the realm of creativity and “playing”! If having fun is your act, you will be delighted by this action-packed theater program. All main aspects of the theater will be explored in a genuine theater setting.

In two weeks students will gain knowledge and experience in a variety of subjects. Students will become scriptwriters and help to complete the script of an almost complete play, be a make-up artist who applies the paint to the faces of the actors, learn the nuances of costume design and draping a figure, and be the set designer to create an environment for the characters to come to life!

This workshop is a wonderful opportunity to gain insight into visual and performing arts theory, production, conceptual creativity, and gain hands-on experience of the importance of working collaboratively as a group to produce the final product.

Swim lessons are available to children as young as 3 years old. Little swimmers will discover water exploration by learning to fully submerge their face and blow bubbles, experiencing supported floating and kicking on front and back. More advanced swimmers will begin to learn alternate arm action, swimming under water, how to retrieve objects under water, rhythmic breathing, and turning over front to back. For swimmers ready for more advanced techniques, a program can be adapted to meet your student's individual needs.

Lessons may be taken in conjunction with Devil Mountain Summer Camp or Sports Camp. A camp counselor will come to pick up your child at his or her scheduled lesson time, walk them to the pool for their lesson, and then return them to camp after the lesson is completed. It is suggested that campers wear their swimsuits under their clothes. If necessary, the counselors can take the camper to the locker room where they can change back into dry clothes before returning to camp
